

The background of the entire page is a vibrant night sky transitioning from deep blue at the top to purple and pink at the bottom. It is filled with numerous small, bright white and yellow stars. A large, glowing yellow circle representing the moon is centered in the upper half of the image. In the lower center, the silhouettes of a child and a small cat are visible against the bottom edge of the moon. The child is standing and looking towards the right, while the cat is sitting next to them.
